

CONNECTING  
YOUR MOBILE DEVICE  
TO YOUR MELITTA®  
BARISTA T/TS SMART®  
FOR THE FIRST TIME

### 1. Preparation:

- Ensure a stable internet connection
- Download the Melitta Connect App from your App Store
- Enable Bluetooth and activate "share location" on your mobile device (only necessary for Android)

### 2. On your Barista T/TS Smart®:

- Press the menu/ok button for 2 seconds – the menu appears on the display
- Use arrow buttons to select Bluetooth and confirm with the menu/ok button
- Select "Connect" on the appliance

### 3. On your mobile device:

- Open the Melitta® Connect App
- Select "CONNECTION TO APPLIANCE"
- Select "Connect"
- Connection will now be established between your mobile device and Barista T/TS Smart®

Bluetooth symbols on the Barista T/TS Smart® (valid from: 0258-00 21 -008 Disp 0123):

- Bluetooth enabled
- Encryption not set up
- Pairing active (flashes)
- Connection expired
- Connected
