

Melitta Europa GmbH & Co. KG – Division Coffee Preparation –
Ringstrasse 99, 32427 Minden – P.O. Box 12 26, 32372 Minden

Reporting requirement of the supply chain according to Art. 33, REACH Regulation

Products

Small domestic appliances

(e. g. coffee machines, water kettles, grinder and milk frother)

Herewith Melitta meets its reporting requirement according to Art. 33 of the REACH Regulation and informs you, that in some sub-assemblies of our coffee machines, water kettles, grinder and milk frother, e. g. in the power plug, in electronic components and in electric motors the following substance is included in a concentration of > 0.1 %:

- lead (CAS 7439-92-1)

It can be excluded that this substance will be released under normal or reasonably predictable application conditions.

This announcement has no influence on the RoHS Conformity of our products.

Our small domestic appliances do not contain other materials from the list of candidates according to article 59 (10) order (EG) no. 1907/2006 above 0,1 masses % (Status: January 21st, 2025).

The current version of this declaration is filed under www.melitta.de/19072006.
